Ross Lovegrove Collection

Recognized for forward-thinking, organically-inspired products crafted in innovative materials, Ross Lovegrove achieves a new level of clarity with his table and storage collection for KnollStudio. His work incorporates both traditional and cutting edge materials to shape pieces that are at once sculptural and practical.

Lovegrove table desks and tri-oval low tables are constructed in varying sizes and shapes with a range of edge details and finish options. Table top options reflect Lovegrove's vast knowledge of materials, and include honeycomb Panelite™ in varying colors, bamboo, laminate, marble, Starphire™ and colored glass. Versatile in scope, Lovegrove's table desks and low tables suit a variety of applications, from the executive private office to the living room.

The elegant radius-cut corners of the Lovegrove credenza and pedestal demonstrate the designer's affinity for seamless, fluid design. Available in a wide variety of finishes, these pieces are ideal companions to the Lovegrove table desk in a corporate setting or as stand-alone units in a private home.

The Ross Lovegrove Collection reflects the KnollStudio® commitment to timeless, enduring design, continuing the Knoll legacy of producing furniture to the exacting standards of the designer and affirming our unwavering belief in the power and utility of modern design.
